Nitolbuk illi b'permezz ta' din l-email tigi kunsidrata l-binja ta' Evans Building tibqgha ghall-uzu tal-Kommunita Beltija bhalma kienet u b'hekk ghandha dejjem tibqgha.

Naqblu fl-aspett illi ghandhom issiru progetti, izda, nixtiequ nesprimu l-nuqqas ta' progetti li jgibu dinjita u hsieb lejna bhala residenti Beltin. F'bosta lokalitajiet madwar Malta u Ghawdex issiru investimenti mill-Istat ghar-residenti, il-Belt tinsab imwarba minn dan l-aspett.

"Much is promised on tourism, with hospitality operators being promised a tax reduction equivalent to 30% of the expenses of a new investment or renovation to their accommodations and with regenerations to touristic areas such as Bugibba, Qawra, Xemxija, Valletta (EVANS BUILDING specifically), the Chalet area in Sliema, Paceville, and St. Julian's all on the cards."
